Announcements

Don Barrett, KA6DJK (SK)

It is with deep regret that we have to report the passing of longtime SCDXC member Vi Barrett's (W6CBA) husband Don Barrett (KA6DJK). Don passed away on March 31, 2020, he was 92. Don was an Extra class and was a long time HAM. Don and Vi spent many years conducting test preparation classes for license upgrade or new hams.

Don's death was not COVID related.

Hello fellow DXers,

I don't know about the rest of you but I'm ready for this corona virus to end. It is really cramping my style and no one can give definitive timeline on when it will end. Along those line, we have cancelled all meetings and event until the all clear is given. It was disappointing that the convention was cancelled and now the picnic is gone. The board met via Skype and were able to make some decisions and get things done, but I still feel like I've been the president for the year that never was. We are solidifying a new meeting place since WEMS cannot accommodate us after July. I don't really have anything else to add or anything to inspire you other than, stay safe and stay healthy.

73,

VP May 2020 Blurb

Doug - W6HB

Howdy all you isolated operators! Here's hoping you are taking advantage of the circumstances to make plenty of "Q's" and fill in DX voids. Despite the doom and gloom solar numbers the bands all have seen activity to enjoy from at least 6-meters on down.

On a personal note I have cancelled my knee replacement until at least November for the pandemic mandated reasons. Living on pain meds is not my favorite thing to do but it beats the alternatives.

Your BOD held a Skype meeting this month and dealt with what business we could.

The possibility of staying at WEMS past June 2020 for our meetings has fallen through and I and others are looking for a new spot. With some luck we will find a place that is member centric.

The BOD has voted to move any future monthly meetings to a Saturday most likely between 0900 and 1100 depending on the venue we find and commit to. Discussions about virtual and or video meetings are up in the air due to concerns as to how many members are able to participate, what platform is best relative to security and user friendliness and the return on labor invested. Please feel free to email me at w6hb@arrl.net with your proactive ideas the BOD should consider. In my personal opinion if we cannot include a high percentage of our members in any activity I question the value.

For budgetary reasons we will reduce our prize expenditures looking forward. We do have some items that we purchased in advance and/or for the IDXC. After the IDXC was cancelled N3FJP and Bob Heil donated their IDXC prizes to the club. I extended them our personal thanks. Few if any items are expected to be purchased or required for the balance of the year.

As soon as possible we need to remove all SCDXC assets from WEMS. Some will be archived, some will be trashed and we will probably seek to sell the chairs to members. Let us know if the chairs will look good in your back yard!

The annual picnic and Summer Bash have been cancelled as now posted on the web site. Whether we are able to convene the Christmas / Chanukah party remains to be seen but, so far, we have held our reservations at the Reef as far as I know.

The club has been asked by the Edgar Brown family to administer an "Edgar Ward Brown N6OU Award" in memory of all amateur radio meant to him. This award program will be funded annually to promote and support new students entering the hobby / service and is not a scholarship or a foundation per se. I expect the BOD will appoint a committee to seek and receive worthy candidates and the BOD will make awards to the deserving. This same committee will most likely be tasked to field nominations for the Clipperton and SCDXC DXer of the Year awards as a separate task.

Here's hoping all are in good health and we can convene face to face in the near term.

73 and Good DXing!
Doug Dowds

NO MAY MEETING!!!!

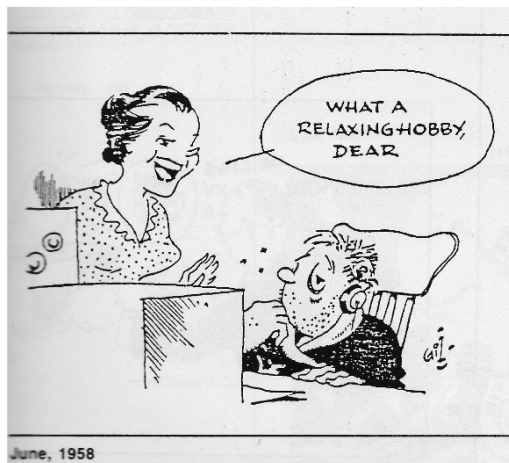

Rumors on the Band

SV2RSG/A Monk Iakovos, will be on the air May 7 –10. Historically he operates 14.025 CW and 14.1855 SSB listening up. He is a relative newcomer so be kind!!! Aside from that we have COVID slim pickings, at least for DXpeditions. Now that we are all couch potatoes there is lots to work! One nice aspect of COVID is that we are all saving a lot of money! When this lets up there will be many of us who will be itching to get out! That means a lot of small DXpeditions in the future!

Bill, N6WS, our senior associate club member has completed 5BWAZ. Number 200 was on 80 meters with zone 40.

So April was a great month... world-wide. There was lots of DX on and everyone increased their count.

Kent, N6WT, dropped from is #8 to #12 in the world and #6 in the US. Larry, K6RO moved up to # 24 in the world and #11 in the US. Bill, N6WS, is #25 in the world and #12 in the US. Members worked 8 new entities this month bringing the total to 239, three more than this time last year. If we remove the 3 entities worked by members at large alone we are on par. Remember, there are always fishy QSOs, unique contacts that no one else in the world made. If you are the one who worked FT5Z, J5, ST, or TJ please check to see if they were valid contacts and if not remove them from ClubLog.... Please!

The total entities worked to date is 254. ClubLog leaders picked up 6 entities that we didn't, 8R, A2, T2, TY, VP6D, and XZ. We picked up XW and YI. Again, there are some fishy QSOs!

<https://youtu.be/OQw5IEinVro>

Don says Alan will be writing an article soon! We look forward to it! Include shack pictures!
